Soft Skills: Effective Communication, Problem Solving, Team Collaboration, Adaptability, Quick Learner.

EXPERIENCE

Java Full Stack Developer Trainee - Livewire, Salem

May 2026 – Present

- Currently undergoing Java Full Stack Development training with knowledge of Java, OOP, SQL, JDBC, HTML, CSS, JavaScript, Bootstrap, jQuery, and Spring Boot.
- Learning and implementing Spring Boot, Spring MVC, REST APIs, CRUD operations, Spring Data JPA, Hibernate, Validation, and Exception Handling.
- Practicing MySQL database operations, SQL queries, joins, subqueries, and database integration using JDBC and Spring Boot.
- Using Postman, Git, GitHub, Eclipse, and VS Code for API testing, development, and version control.

Web Development Intern - Lumi Learn, Trichy

Dec 2024 – Jan 2025

- Developed responsive web pages using HTML and CSS during internship training.
- Converted design concepts into functional web interfaces using responsive design and frontend development principles.
- Collaborated with team members and completed assigned tasks within project timelines.

PROJECTS

Online Job Portal Management System using Java:

Core Java | OOP | Collections | ArrayList | Scanner | Eclipse

- Developed a console-based Online Job Portal Management System using Core Java, OOP, Arrays, and ArrayList.
- Implemented user registration, login, profile management, password recovery, job search, and salary-based filtering.
- Developed job application, application tracking, and cancellation functionalities using Java Collections.
- Managed user details, job listings, applications, salary, location, experience, and skills within the application.

Powerloom Textile E-Commerce Website:

HTML | CSS | JavaScript.

- Developed a responsive textile e-commerce website with product listings, pricing, and Add to Cart functionality.
- Designed Home, About, Products, Gallery, Reviews, Contact, and Production Process sections.
- Implemented responsive design and JavaScript-based cart management, quantity updates, item removal, and price calculation.
